Dear Dr. Magee

Thanks for presenting the Leadership Alternatives Seminar for the senior managers here at Randolph Air Force Base, TX. All the participants enjoyed attending your class and had nothing but great reviews.

Your performance as a trainer is excellent as were the evaluations of all the seminar participants. All evaluations stated high marks and how your positive energy influenced them. The managers learning experiences were evident by the comments after the class. You provided exactly what we needed to prepare our senior managers with the upcoming changes and the challenges of being a leader.

Your seminar was so impressive that the majority of attendees are asking that I bring you back. We look forward to continue working with you.

Sincerely
