Dear Jeff:

Thank you for your notes and kind words. You are a consummate professional. I appreciate your thoroughness.

I enjoyed your presentation and our conversation at lunch. You have a winning style, a powerful message and an engaging personality. I know you'll continue building on the success you already have achieved.

Best wishes to you. And please give my regards to Rick and thank him for sending the materials. See you soon.

Good news always,

Rick
